

## How to Download the *All of Us* App

If you have a smartphone, you can download the *All of Us* app for free from Google Play or the iOS App Store. The app is a convenient way to access your information, answer the Snap questions, or complete your surveys.

- On your smartphone, click on the app for either the App Store (Apple) or Google Play (Android).
- Search for “*All of Us* Research Program.”
- Download the purplish-blue app (not the white one).
- Confirm the App developer name is Vibrent Health, Inc. (iOS App Store) or Vibrent (Google Play)
- Download the app
- Open the app
- Sign in
